PHẠM QUANG LƯƠNG

FRONT END DEVELOPER

ABOUT ME

- My name is Luong, I am interested in IT and everything in its orbit. Especially Web Development!
- I had 9 months to learning and working as an intern. I am looking for a chance to increase skills in Computer Science.
- I would offer my full commitment, and be a pleasant and friendly addition to your team.
- I am therefore currently looking for a job as a front-end developer.
